Thank you for your support!

The cost of this calendar covers the printing costs plus a little extra money to keep the Buttwatch Campaign going.

The campaign aims to:

**PREVENT** cigarette butts from polluting our planet  
We bring awareness to cigarette butt litter through posters, website, social media and conversations.

**REMOVE** cigarette butts from our environment.  
We hold regular cleanups and remove any cigarette butt litter we find on the beach, parks and streets.
